

Onsite Training of Facilitators

We would be thrilled to have our LiFT trainers visit you on-site to deliver our 2-day Training of Facilitators for your staff and community partners. This interactive training is delivered in a fun and supportive format and designed to support future LiFT facilitators build the foundational knowledge and skills to implement the curriculum with youth and their supportive adults. Upon completion of the training, participants will have an established foundation to support successful delivery of the curriculum with comfort and fidelity.

Training of Facilitator Learning Objectives

Our two-day interactive training of facilitators will help prepare your team to deliver the curriculum in your community, and answer the following questions:

- Why is the LiFT Program needed?
- What sex education do I (and my fellow facilitators) need to know to implement LiFT?
- What are the curriculum's essential goals and components?
- How do the essential components lead to the desired outcomes?
- How can I implement Lift with excellence and fidelity?

Client is responsible for providing:

- Training venue and training supplies (projector/screen, flip chart/markers, etc.)
- Participant training materials:
 - Printed curriculum, program manual, and adult/youth guides
 - Training activity supplies (building blocks, beach balls, M&Ms)

Training Cost

\$10,000 plus an estimated \$4,000 in travel costs for 2 trainers (travel costs include airfare, local transportation, 3 nights hotel, 4 days per diem).
